ABOUT MYOPIA

The Myopia Polo Club was started in 1888 in South Hamilton, MA. It is part of the United States Polo Association and prides itself on bringing spectators a professional outdoor alternative to the typical sporting event. Polo club season begins on Memorial Day and ends on Columbus Day every year. There are currently 38 members of the Polo club team, which include both men and women of various ages.

The club opens its doors for public games every Sunday during the season. Each game lasts about one and a half hours (from 3 pm to about 4:30 pm). Following every game, there is a trophy ceremony and an opportunity for spectators to meet the players.

Myopia offers a VIP tent for corporate events or private parties as a chance for members (of Hunt Club) and non-members to enjoy the games under a different atmosphere.
